

## Area Construction: WTJ Railway Crossing Upgrades

The City would like to inform the citizens of Burkburnett of upcoming improvements to the rail crossings at Daniels Road, Kramer Road and 3<sup>RD</sup> Street (240). WTJ Railway in conjunction with TXDOT will begin installation of flashing warning lights and stop bars at the above mentioned crossings. The contractors intend on beginning the 1<sup>st</sup> project on Tuesday, February 9<sup>th</sup> on the Daniels crossing and will subsequently continue erection of the warning lights and bars on Kramer and 3rd Street. The City is looking forward to these improvements to existing rails which will create a safer environment for our citizens. If you have any questions in regards to these projects, please contact Mike Whaley at City Hall at 940-569-2263. Thank You for your continued support.
