# 3 On 3 Rules

City of Burburnett: 3 On 3 Basketball Tournament

Date: 9-23-2017

- Each team consists of three players.
- The game is played on a  $\frac{1}{4}$  court, with one basket.
- A jump ball is not used to start the game. Instead, a coin toss is held immediately before the game. The winning team can choose to take possession of the ball at the start of the game, or take the first possession of a potential overtime period.
- There are no jump balls at any time in the game; neither is there an alternating possession rule. In any held ball situation, the defensive team is granted possession.
- Every successful shot inside the arc is awarded two point, while every successful shot behind the arc is awarded three points.
- The game is a single period of 10 minutes with sudden death at 21 points. The winner is the first team to score 21 or the team with the highest score at the end of the 10 minutes. A tie in regulation leads to an untimed overtime period; tiebreaker starting with a coin toss which is won by the first team to score two points in overtime. *Note* that if a game is tied at 20 at the end of regulation, reaching 21 does not end the game, must be won by two point.

Game play starts with the defensive team exchanging the ball with the offensive team behind the arc. This exchange is also used to restart the game from any dead ball situation. If a foul is committed that results in the non-fouling team retaining possession.
