## City Commission Agenda Memo

**From:** Mike Whaley

**Date:** April 18th, 2016

**Item:** Ordinance Number 896      Police Complex/Certificates of Obligation, Series 2016

### Background

Approval of Ordinance Number 896 authorizes the intention to issue certificates of obligation not to exceed \$4,800,000 for the purpose of constructing a police station and municipal court complex.

In the event a petition is presented, the BOC has the option of approving the ordinance pending the validation of the petition. By charter, the City has five days in order to validate but I anticipate we would be able to do so much sooner. If a valid petition exists, then the certificates would have to be converted to general obligation bonds and presented to the voters on the November ballot.

David or Nick with Hilltop Securities (formerly 1<sup>st</sup> Southwest) will present the Ordinance.

### Fiscal Impact

Ordinance Number 896 will increase the debt service for the City of Burkburnett. It will also cause an increase in the Tax rate by an approximate 5.5 cents.

### Options

- Adopt Ordinance Number 896
- Adopt Ordinance Number 896 (pending petition if presented)
- Take no action until petition is verified, if petition is presented
- Make decision to place on November ballot, even if petition is not verified

### Staff Recommendation

Staff recommends Board of Commissioners adopt Ordinance Number 896

(a) Optional Redemption. The Certificates having Stated Maturities on and after February 15, 2027 shall be subject to redemption prior to maturity, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on February 15, 2026, or on any date thereafter at the redemption price of par plus accrued interest to the date of redemption.

At least forty-five (45) days prior to a redemption date for the Certificates (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of the decision to redeem Certificates, the principal amount of

each Stated Maturity to be redeemed, and the date of redemption therefor. The decision of the City to exercise the right to redeem Certificates shall be entered in the minutes of the governing body of the City.

(b) Mandatory Redemption. The Certificates maturing on February 15, 20\_\_, February 15, 20\_\_, and February 15, 20\_\_ (the "Term Certificates") shall be subject to mandatory redemption in part prior to maturity at the redemption price of par and accrued interest to the date of redemption on the respective dates and in the principal amounts as follows:

<u>Redemption Date</u>	<u>Principal Amount</u>
February 15, 20	\$ ,000
February 15, 20	\$ ,000
February 15, 20	\$ ,000 (maturity)

Approximately forty-five (45) days prior to each mandatory redemption date for the Term Certificates, the Paying Agent/Registrar shall select by lot, or by any other customary method that results in a random selection, the numbers of the Term Certificates within the applicable Stated Maturity to be redeemed on the next following February 15 from moneys set aside for that purpose in the Certificate Fund (as hereinafter defined). Any Term Certificates not selected for prior redemption shall be paid on the date of their Stated Maturity.

The principal amount of the Term Certificates for a given Stated Maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Certificates of like Stated Maturity which, at least fifty (50) days prior to the mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Certificates plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (2) shall have been redeemed pursuant to the optional redemption provisions set forth in subparagraph (a) of this Section and not theretofore credited against a mandatory redemption requirement.

(c) Selection of Certificates for Redemption. If less than all Outstanding Certificates of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall treat such Certificates as representing the number of Certificates Outstanding which is obtained by dividing the principal amount of such Certificates by \$5,000 and shall select the Certificates to be redeemed within such Stated Maturity by lot or by any other customary method that results in a random selection.

(d) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Certificates, a notice of redemption shall be sent by United States Mail, first class postage prepaid, in the name of the City and at the City's expense, to each Holder of a Certificate to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of

mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Certificates, (ii) identify the Certificates to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Certificates, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, provided moneys sufficient for the payment of such Certificate (or the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar, and (v) specify that payment of the redemption price for the Certificates, or the principal amount thereof to be redeemed, shall be made at the Designated Payment/Transfer Office of the Paying Agent/Registrar only upon presentation and surrender of the Certificates. If a Certificate is subject by its terms to prior redemption and has been called for redemption and notice of redemption has been duly given as hereinabove provided, such Certificate (or the principal amount thereof to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys sufficient for the payment of such Certificate (or of the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar.

(e) Conditional Notice of Redemption. With respect to any optional redemption of the Certificates, unless certain prerequisites to such redemption required by this Ordinance have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Certificates to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied or sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Certificates and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Certificates have not been redeemed.

SECTION 5: Registration - Transfer - Exchange of Certificates - Predecessor Certificates. The Paying Agent/Registrar shall obtain, record and maintain in the Security Register the name and address of each and every owner of the Certificates issued under and pursuant to the provisions of this Ordinance, or if appropriate, the nominee thereof. Any Certificate may be transferred or exchanged for Certificates of other authorized denominations by the Holder, in person or by his duly authorized agent, upon surrender of such Certificate to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender of any Certificate (other than the Initial Certificate(s) authorized in Section 8 hereof) for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Certificates of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Certificate or Certificates surrendered for transfer.

At the option of the Holder, Certificates (other than the Initial Certificate(s) authorized in Section 8) may be exchanged for other Certificates of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Certificates surrendered for exchange, upon surrender of the Certificates to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Certificates are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Certificates to the Holder requesting the exchange.

All Certificates issued in any transfer or exchange of Certificates shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar or sent by United States Mail, first class, postage prepaid to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Certificates surrendered in such transfer or exchange.

All transfers or exchanges of Certificates pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Certificates cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Certificates," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Certificate or Certificates registered and delivered in the exchange or transfer. Additionally, the term "Predecessor Certificates" shall include any mutilated, lost, destroyed, or stolen Certificate for which a replacement Certificate has been issued, registered and delivered in lieu thereof pursuant to the provisions of Section 20 hereof and such new replacement Certificate shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Certificate.

Neither the City nor the Paying Agent/ Registrar shall be required to issue or transfer to an assignee of a Holder any Certificate called for redemption, in whole or in part, within 45 days of the date fixed for the redemption of such Certificate; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Certificate called for redemption in part.

**SECTION 6: Book-Entry-Only Transfers and Transactions.** Notwithstanding the provisions contained in Sections 3, 4, and 5 of this Ordinance relating to the payment, transfer, and exchange of the Certificates, the City hereby approves and authorizes the use of "Book-Entry-Only" securities clearance, settlement and transfer system provided by The Depository Trust Company ("DTC"), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representations by and between the City and DTC (the "Depository Agreement").

Pursuant to the Depository Agreement and the rules of DTC, the Certificates shall be deposited with DTC who shall hold said Certificates for its participants (the "DTC Participants"). While the Certificates are held by DTC under the Depository Agreement, the Holder of the Certificates on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Certificate (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Certificates or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Certificates, the City covenants and agrees with the Holders of the Certificates to cause Certificates to be printed in definitive form and issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Certificates in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Certificates shall be made in accordance with the provisions of Sections 3, 4 and 5 of this Ordinance.

**SECTION 7: Execution - Registration.** The Certificates shall be executed on behalf of the City by the Mayor or Mayor Pro Tem under its seal reproduced or impressed thereon and countersigned by the City Clerk. The signature of said officers on the Certificates may be manual or facsimile. Certificates bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the date of the adoption of this Ordinance shall be deemed to be duly executed on behalf of the City, notwithstanding that one or more of the individuals executing the same shall cease to be such officer at the time of delivery of the Certificates to the initial purchaser(s) and with respect to Certificates delivered in subsequent exchanges and transfers, all as authorized and provided in Texas Government Code, Chapter 1201, as amended.

The Initial Certificate(s) shall be submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchasers, or the designee thereof. Any time after the delivery of the Initial Certificate(s) and pursuant to written instructions from the initial purchasers, or the designee thereof, the Paying Agent/Registrar shall cancel the Initial Certificate(s) and exchange it for the definitive Certificates of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified for such purpose; all pursuant to and in accordance with such written instructions from the initial purchasers, or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

The City of Burkburnett (hereinafter referred to as the "City"), a body corporate and municipal corporation in the County of Wichita, State of Texas, for value received, acknowledges itself indebted to and hereby promises to pay to the Registered Owner named above, or the registered assigns thereof, on the Stated Maturity date specified above the Principal Amount hereinabove stated (or so much thereof as shall not have been paid upon prior redemption), and to pay interest on the unpaid principal amount hereof from the interest payment date next preceding the "Registration Date" of this Certificate appearing below (unless this Certificate bears a "Registration Date" as of an interest payment date, in which case it shall bear interest from such date, or unless the "Registration Date" of this Certificate is prior to the initial interest payment date in which case it shall bear interest from the Delivery Date) at the per

annum rate of interest specified above computed on the basis of a 360-day year of twelve 30-day months; such interest being payable on February 15 and August 15 in each year, commencing February 15, 2017, until maturity or prior redemption. Principal of this Certificate is payable at its Stated Maturity or upon its prior redemption to the registered owner hereof, upon presentation and surrender, at the Designated Payment/Transfer Office of the Paying Agent/Registrar executing the registration certificate appearing hereon, or its successor; provided, however, while this Certificate is registered to Cede & Co., the payment of principal upon a partial redemption of the principal amount hereof may be accomplished without presentation and surrender of this Certificate. Interest is payable to the registered owner of this Certificate (or one or more Predecessor Certificates, as defined in the Ordinance hereinafter referenced) whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the last business day of the month next preceding each interest payment date, and interest shall be paid by the Paying Agent/Registrar by check sent United States Mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. If the date for a payment of the principal of or interest on the Certificates shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. All payments of principal of and interest on this Certificate shall be without exchange or collection charges to the owner hereof and in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Certificate is one of the series specified in its title issued in the aggregate principal amount of \$4,650,000 (herein referred to as the "Certificates") for the purpose of paying contractual obligations to be incurred for (i) the construction of public works, to wit: acquiring, constructing, renovating, improving and equipping a police station and municipal court complex, including land therefor and the demolition of the existing police facility, and (ii) professional services rendered in connection with the acquisition, construction and financing of the foregoing projects, under and in strict conformity with the Constitution and laws of the State of Texas, particularly Texas Local Government Code, Subchapter C of Chapter 271, as amended, and pursuant to an Ordinance adopted by the Board of Commissioners of the City (herein referred to as the "Ordinance").

The Certificates maturing on the dates hereinafter identified (the "Term Certificates") are subject to mandatory redemption prior to maturity with funds on deposit in the Certificate Fund established and maintained for the payment thereof in the Ordinance, and shall be redeemed in part prior to maturity at the price of par and accrued interest thereon to the mandatory redemption date on the respective dates and in principal amounts as follows:

Term Certificates due February 15, 20		Term Certificates due February 15, 20	
<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u>
February 15, 20	\$ ,000	February 15, 20	\$ ,000
February 15, 20	\$ ,000	February 15, 20	\$ ,000
February 15, 20	\$ ,000	February 15, 20	\$ ,000
February 15, 20	\$ ,000 (maturity)	February 15, 20	\$ ,000 (maturity)

Term Certificates due February 15, 20	
<u>Redemption Date</u>	<u>Principal Amount</u>
February 15, 20	\$ ,000
February 15, 20	\$ ,000
February 15, 20	\$ ,000 (maturity)

The particular Term Certificates of a given Stated Maturity required to be redeemed each redemption date shall be chosen by lot, or by any other customary method that results in a random selection, by the Paying Agent/Registrar; provided, however, that the principal amount of Term Certificates for a Stated Maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Certificates of like Stated Maturity which, at least fifty (50) days prior to the mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Certificates plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not theretofore credited against a mandatory redemption requirement.

The Certificates maturing on and after February 15, 2027, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on February 15, 2026 or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty (30) days prior to a redemption date, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Certificate to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinance. If a Certificate (or any portion of its principal sum) shall have been duly called for redemption and notice of such redemption duly given, then upon the redemption date such Certificate (or the portion of its principal sum to be redeemed) shall become due and payable, and, if moneys for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable from and after the redemption date on the principal amount redeemed.

In the event a portion of the principal amount of a Certificate is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Certificate to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Certificate or Certificates of like maturity and interest rate in any authorized denominations provided by the Ordinance for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Certificate is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Certificate to an assignee of the registered owner within forty-five (45) days of the redemption date therefor; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Certificate redeemed in part.

With respect to any optional redemption of the Certificates, unless certain prerequisites to such redemption required by the Ordinance have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Certificates to be redeemed shall have

been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied or sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Certificates and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Certificates have not been redeemed.

The Certificates are payable from the proceeds of an ad valorem tax levied, within the limitations prescribed by law, upon all taxable property in the City and from a limited pledge of the Net Revenues (as defined in the Ordinance) of the City's combined Waterworks and Sewer System (the "System"), such pledge of the Net Revenues for the payment of the Certificates being limited to an amount of \$1,000 and being junior and subordinate to the lien on and pledge of the Net Revenues securing the payment of "Prior Lien Obligations" (as defined in the Ordinance) now outstanding and hereafter issued by the City. In the Ordinance, the City reserves and retains the right to issue Prior Lien Obligations while the Certificates are outstanding without limitation as to principal amount but subject to any terms, conditions or restrictions as may be applicable thereto under law or otherwise, as well as the right to issue Additional Obligations (identified and defined in the Ordinance) payable from the same sources as the Certificates and, together with the Certificates, equally and ratably secured by a parity lien on and pledge of the Net Revenues of the System.

Reference is hereby made to the Ordinance, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all the provisions of which the owner or holder of this Certificate by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied for the payment of the Certificates; the nature and extent of the pledge of the Net Revenues securing the payment of the Certificates; the terms and conditions relating to the transfer or exchange of this Certificate; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the tax levy and the pledge of the Net Revenues and covenants made in the Ordinance may be discharged at or prior to the maturity of this Certificate, and this Certificate deemed to be no longer Outstanding thereunder; and for the other terms and provisions contained therein. Capitalized terms used herein have the meanings assigned in the Ordinance.

This Certificate, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Certificates of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the registered owner whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Certificate as the owner entitled to payment of principal hereof at its Stated Maturity or upon its prior

redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented and declared that the City is a body corporate and political subdivision duly organized and legally existing under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Certificates is duly authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Certificates to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinance; that the Certificates do not exceed any Constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Certificates as aforesated. In case any provision in this Certificate shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The terms and provisions of this Certificate and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the Board of Commissioners of the City has caused this Certificate to be duly executed under the official seal of the City.

(a) The term "Additional Obligations" shall mean tax and revenue obligations hereafter issued which by their terms are payable from ad valorem taxes and additionally payable from and secured by a parity lien on and pledge of the Net Revenues of the System of equal rank and dignity with the lien and pledge securing the payment of the Certificates.

**SECTION 11: Certificate Fund.** For the purpose of paying the interest on and to provide a sinking fund for the payment, redemption and retirement of the Certificates, there shall be and is hereby created a special account or fund on the books and records of the City known as the "SPECIAL SERIES 2016 TAX AND REVENUE CERTIFICATE OF OBLIGATION FUND", and all moneys deposited to the credit of such Fund shall be kept and maintained in a special banking account a depository bank of the City. The Mayor, Mayor Pro Tem, City Manager, Director of Administration and City Clerk of the City, individually or collectively, are hereby authorized and directed to make withdrawals from said Fund sufficient to pay the principal of and interest on the Certificates as the same become due and payable, and, shall cause to be transferred to the Paying Agent/Registrar from moneys on deposit in the Certificate Fund an amount sufficient to pay the amount of principal and/or interest falling due on the Certificates, such transfer of funds to the Paying Agent/Registrar to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar on or before the last business day next preceding each interest and principal payment date for the Certificates.

Pending the transfer of funds to the Paying Agent/Registrar, money in the Certificate Fund may, at the option of the City, be invested in obligations identified in, and in accordance with the provisions of the "Public Funds Investment Act" (Texas Government Code, Chapter 2256, as amended) relating to the investment of "bond proceeds"; provided that all such investments shall be made in such a manner that the money required to be expended from said Fund will be available at the proper time or times. All interest and income derived from deposits and investments in said Certificate Fund shall be credited to, and any losses debited to, the said

Certificate Fund. All such investments shall be sold promptly when necessary to prevent any default in connection with the Certificates.

**SECTION 12: Tax Levy.** To provide for the payment of the "Debt Service Requirements" on the Certificates being (i) the interest on said Certificates and (ii) a sinking fund for their redemption at maturity or a sinking fund of 2% (whichever amount shall be the greater), there shall be and there is hereby levied a sufficient tax, within the limitations prescribed by law, on each one hundred dollars' valuation of taxable property in said City, adequate to pay such Debt Service Requirements while the Certificates remain Outstanding, full allowance being made for delinquencies and costs of collection; and said tax shall be assessed and collected each year and applied to the payment of the Debt Service Requirements, and the same shall not be diverted to any other purpose. The taxes so levied and collected shall be paid into the Certificate Fund. The Board of Commissioners hereby declares its purpose and intent to provide and levy a tax legally and fully sufficient to pay the said Debt Service Requirements, it having been determined that the existing and available taxing authority of the City for such purpose is adequate to permit a legally sufficient tax in consideration of all other outstanding indebtedness.

The amount of taxes to be provided annually for the payment of the principal of and interest on the Certificates shall be determined and accomplished in the following manner:

(a) Prior to the date the Board of Commissioners establishes the annual tax rate and passes an ordinance levying ad valorem taxes each year, the Board shall determine:

(1) The amount on deposit in the Certificate Fund after (a) deducting therefrom the total amount of Debt Service Requirements to become due on Certificates prior to the Collection Date for the ad valorem taxes to be levied and (b) adding thereto the amount of the Net Revenues of the System, together with any other lawfully available revenues of the City, appropriated and allocated to pay such Debt Service Requirements prior to the Collection Date for the ad valorem taxes to be levied.

(2) The amount of Net Revenues of the System, together with any other lawfully available revenues of the City, appropriated and to be set aside for the payment of the Debt Service Requirements on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding calendar year.

(3) The amount of Debt Service Requirements to become due and payable on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding calendar year.

(b) The amount of taxes to be levied annually each year to pay the Debt Service Requirements on the Certificates shall be the amount established in paragraph (3) above less the sum total of the amounts established in paragraphs (1) and (2), after taking into consideration delinquencies and costs of collecting such annual taxes.

**SECTION 13: Limited Pledge of Net Revenues.** The City hereby covenants and agrees that, subject to the prior lien on and pledge of the Net Revenues of the System to the payment and security of Prior Lien Obligations, the Net Revenues of the System, in an aggregate amount

of \$1,000, are hereby irrevocably pledged to the payment of the principal of and interest on the Certificates, and the limited pledge of \$1,000 of the Net Revenues of the System herein made for the payment of the Certificates shall constitute a lien on the Net Revenues of the System in accordance with the terms and provisions hereof, and shall be on a parity in all respects with the lien on the Net Revenues securing the payment of Additional Obligations, if issued. Furthermore, such lien on and pledge of the Net Revenues securing the payment of the Certificates shall constitute a lien on the Net Revenues of the System until such time as the City shall pay all of such \$1,000, after which time the pledge shall cease, all in accordance with the terms and provisions hereof and be valid and binding and fully perfected from and after the date of adoption of this Ordinance without physical delivery or transfer or transfer of control of the Net Revenues, the filing of this Ordinance or any other act; all as provided in Chapter 1208 of the Texas Government Code, as amended ("Chapter 1208").

Chapter 1208 applies to the issuance of the Certificates and the pledge of the Net Revenues of the System granted by the City under this Section 13, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Certificates are Outstanding such that the pledge of the Net Revenues of the System granted by the City under this Section 13 is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, as amended, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code, as amended, and enable a filing to perfect the security interest in said pledge to occur.

**SECTION 14: System Fund.** The City covenants and agrees that all Gross Revenues (excluding earnings from the investment of money held in any special funds or accounts created for the payment and security of the Prior Lien Obligations) shall be deposited as collected into a fund maintained at an official depository of the City and known on the books of the City as the "Waterworks and Sewer System Fund" (hereinafter called the "System Fund"). All moneys deposited to the credit of the System Fund shall be allocated, dedicated and disbursed to the extent required for the following purposes and in the order of priority shown, to wit:

- First:** To the payment of all Maintenance and Operating Expenses as defined herein or required by statute to be a first charge on and claim against the Gross Revenues.
- Second:** To the payment of all amounts required to be deposited in the special Funds created and established for the payment, security and benefit of Prior Lien Obligations in accordance with the terms and provisions of the ordinances authorizing the issuance of Prior Lien Obligations.
- Third:** Equally and ratably, to the payment of the limited amounts pledged to the payment of the Certificates and Additional Obligations, if issued.

Any Net Revenues remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be appropriated and used for any other City purpose now or hereafter permitted by law.

SECTION 15: Deposits to Certificate Fund. The City covenants and agrees that the amount of pledged Net Revenues deposited to the Certificate Fund, together with other lawfully available revenues appropriated by the City for payment of the debt service requirements on the Certificates and ad valorem taxes levied, collected and deposited in the Certificate Fund for and on behalf of the Certificates, will be an amount equal to one hundred percent (100%) of the amount required to fully pay the interest and principal due and payable on the Certificates. In addition, any surplus proceeds from the sale of the Certificates not expended for authorized purposes shall be deposited in the Certificate Fund, or another fund created for the payment of the principal of and interest on any Certificate, and such amounts so deposited shall reduce the sums otherwise required to be deposited in the Certificate Fund from ad valorem taxes and the Net Revenues.

SECTION 16: Security of Funds. All moneys on deposit in the Funds for which this Ordinance makes provision (except any portion thereof as may be at any time properly invested) shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of public funds, and moneys on deposit in such Funds shall be used only for the purposes permitted by this Ordinance.

SECTION 17: Special Covenants. The City hereby further covenants as follows:

(a) It has the lawful power to pledge the Net Revenues of the System to the payment of the Certificates in the manner herein contemplated and has lawfully exercised such power under the Constitution and laws of the State of Texas, including said power existing under Texas Government Code, Chapter 1502, as amended, and Texas Local Government Code, Subchapter C of Chapter 271, as amended.

(b) Other than for the payment of the Prior Lien Obligations and the Certificates, the Net Revenues of the System have not in any manner been pledged to the payment of any debt or obligation of the City or of the System.

SECTION 18: Issuance of Prior Lien Obligations. The City hereby expressly reserves the right to hereafter issue Prior Lien Obligations, without limitation as to principal amount but subject to any terms, conditions or restrictions applicable thereto under law or otherwise, payable, in whole or in part, from the Net Revenues (without impairment of the obligation of contract with the Holders of the Certificates) upon such terms and conditions as the Board of Commissioners may determine.

In addition, the City reserves the right to issue Additional Obligations, without limitation or any restriction or condition being applicable to their issuance under the terms of this Ordinance, payable from and secured by a lien on and pledge of the Net Revenues of the System of equal rank and dignity, and on a parity in all respects, with the lien thereon and pledge thereof securing the payment of the Certificates.

SECTION 19: Application of Prior Lien Obligations Covenants and Agreements. It is the intention of this governing body and accordingly hereby recognized and stipulated that the provisions, agreements and covenants contained herein bearing upon the management and operations of the System, and the administering and application of revenues derived from the operation thereof, shall to the extent possible be harmonized with like provisions, agreements and covenants contained in the ordinances authorizing the issuance of the Prior Lien Obligations, and to the extent of any irreconcilable conflict between the provisions contained herein and in the ordinances authorizing the issuance of the Prior Lien Obligations, the

provisions, agreements and covenants contained therein shall prevail to the extent of such conflict and be applicable to this Ordinance but in all respects subject to the priority of rights and benefits, if any, conferred thereby to the holders of the Prior Lien Obligations.

**SECTION 20: Mutilated, Destroyed, Lost and Stolen Certificates.** In case any Certificate shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Certificate of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Certificate, or in lieu of and in substitution for such destroyed, lost or stolen Certificate, only upon the approval of the City and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Certificate, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the City and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Certificate shall be borne by the Holder of the Certificate mutilated, or destroyed, lost or stolen.

Every replacement Certificate issued pursuant to this Section shall be a valid and binding obligation, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Certificates; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Certificates. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Certificates.

**SECTION 21: Satisfaction of Obligation of City.** If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Certificates, at the times and in the manner stipulated in this Ordinance, then the pledge of taxes levied under this Ordinance and the Net Revenues of the System and all covenants, agreements, and other obligations of the City to the Holders shall thereupon cease, terminate and be discharged and satisfied.

Certificates or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Certificates or the principal amount(s) thereof at maturity or on a redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Certificates, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of moneys or Government Securities will be made under this Section and no use made of any such deposit which would cause the Certificates to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Securities held in trust by the Paying Agent/Registrar,

or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Certificates, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Certificates and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Certificates such moneys were deposited and are held in trust to pay shall upon the request of the City be remitted to the City against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to any applicable unclaimed property laws of the State of Texas.

**SECTION 22: Ordinance a Contract - Amendments.** This Ordinance shall constitute a contract with the Holders from time to time, be binding on the City, and shall not be amended or repealed by the City so long as any Certificate remains Outstanding except as permitted in this Section and in Section 38 hereof. The City may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency or formal defect or omission herein. In addition, the City may, with the consent of Holders holding a majority in aggregate principal amount of the Certificates then Outstanding, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all Holders of Outstanding Certificates, no such amendment, addition or rescission shall (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Certificates, reduce the principal amount thereof, the redemption price, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Certificates, (2) give any preference to any Certificate over any other Certificate, or (3) reduce the aggregate principal amount of Certificates required to be held by Holders for consent to any such amendment, addition or rescission.

**SECTION 23: Covenants to Maintain Tax-Exempt Status.**

(a) **Definitions.** When used in this Section, the following terms have the following meanings:

"Closing Date" means the date on which the Certificates are first authenticated and delivered to the initial purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Certificates.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Certificates are invested and which is not acquired to carry out the governmental purposes of the Certificates.

"Rebate Amount" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Regulations" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Certificates. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Certificates has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Certificate to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Certificate, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Certificates:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Certificates, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Certificates or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Certificates to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt

for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Certificates directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Certificates.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Certificates to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) the City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Certificate is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Certificates with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Certificates until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Certificates by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States from the construction fund, other appropriate fund, or if permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the Certificate Fund, the amount that when added to the future value of previous rebate payments made for the Certificates equals (i) in the case of a Final Computation Date as defined

in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Certificates, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Certificates not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Director of Administration or City Clerk, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Certificates, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(k) Qualified Tax Exempt Obligations. In accordance with the provisions of paragraph (3) of subsection (b) of Section 265 of the Code, the City hereby designates the Certificates to be "qualified tax exempt obligations" in that the Certificates are not "private activity bonds" as defined in the Code and the reasonably anticipated amount of "qualified tax exempt obligations" to be issued by the City (including all subordinate entities of the City) for the calendar year of 2016 will not exceed \$10,000,000.

SECTION 24: Sale of Certificates. Pursuant to a public sale for the Certificates, the bid submitted by \_\_\_\_\_ (herein referred to as the "Purchaser") is declared to be the best bid received producing the lowest true interest cost rate to the City; such bid is hereby accepted and incorporated herein by reference as a part of this Ordinance for all purposes and the sale of the Certificates to said Purchaser at the price of par and accrued interest to the date of delivery, plus a premium of \$\_\_\_\_\_ is hereby approved and confirmed. Delivery of the Certificates to the Purchaser shall occur as soon as possible upon payment being made therefor in accordance with the terms of sale. The terms of sale are hereby declared to be in the best interest of the City.

SECTION 25: Official Statement. The use of the Preliminary Official Statement in the offering and sale of the Certificates is hereby ratified, confirmed and approved in all respects, and the Board of Commissioners hereby finds that the information and data contained in said

Preliminary Official Statement pertaining to the City and its financial affairs is true and correct in all material respects and no material facts have been omitted therefrom which are necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. The final Official Statement, which reflects the terms of sale (together with such changes approved by the Mayor, Mayor Pro Tem, City Manager, Director of Administration or City Clerk, one or more of said officials), shall be and is hereby in all respects approved and the Purchasers are hereby authorized to use and distribute said final Official Statement, dated April 18, 2016, in the offering, sale and delivery of the Certificates to the public.

SECTION 26: Proceeds of Sale. The proceeds of sale of the Certificates, excluding amounts to pay costs of issuance, and premium in the amount of \$\_\_\_\_\_, shall be deposited in a construction fund maintained at the City's depository bank. Pending expenditure for authorized projects and purposes, such proceeds of sale may be invested in authorized investments in accordance with the provisions of Texas Government Code, Chapter 2256, as amended, including guaranteed investment contracts permitted by Texas Government Code, Section 2256.015 et seq., and the City's investment policies and guidelines, and any investment earnings realized may be expended for such authorized projects and purposes or deposited in the Certificate Fund as shall be determined by the Board of Commissioners. Premium in the above amount as well as all surplus proceeds of sale of the Certificates, including investment earnings, remaining after completion of all authorized projects or purposes shall be deposited to the credit of the Certificate Fund.

SECTION 27: Control and Custody of Certificates. The Mayor of the City shall be and is hereby authorized to take and have charge of all necessary orders and records pending the sale of the Certificates, the investigation by the Attorney General of the State of Texas, including the printing and supply of definitive Certificates, and shall take and have charge and control of the Initial Certificate(s) pending the approval thereof by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery thereof to the Purchasers.

SECTION 28: Notices to Holders - Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States Mail, first class postage prepaid, to the address of each Holder appearing in the Security Register at the close of business on the business day next preceding the mailing of such notice.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Certificates. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 29: Cancellation. All Certificates surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly cancelled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Certificates previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly

cancelled by the Paying Agent/Registrar. All cancelled Certificates held by the Paying Agent/Registrar shall be returned to the City.

SECTION 30: Bond Counsel's Opinion. The Purchasers' obligation to accept delivery of the Certificates is subject to being furnished a final opinion of Norton Rose Fulbright US LLP, Dallas, Texas, approving the Certificates as to their validity, said opinion to be dated and delivered as of the date of delivery and payment for the Certificates. An executed counterpart of said opinion shall accompany the global certificates deposited with DTC or a reproduction thereof shall be printed on the definitive Certificates in the event the book-entry-only system shall be discontinued.

SECTION 31: CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Certificates. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Certificates shall be of no significance or effect as regards the legality thereof and neither the City nor attorneys approving the Certificates as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Certificates.

SECTION 32: Benefits of Ordinance. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the City, the Paying Agent/Registrar and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof, and this Ordinance and all its provisions is intended to be and shall be for the sole and exclusive benefit of the City, the Paying Agent/Registrar and the Holders.

SECTION 33: Inconsistent Provisions. All ordinances, orders or resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters contained herein.

SECTION 34: Governing Law. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 35: Effect of Headings. The Section headings herein are for convenience of reference only and shall not affect the construction hereof.

If appropriate in the context of this Ordinance, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.

SECTION 37: Severability. If any provision of this Ordinance or the application thereof to any circumstance shall be held to be invalid, the remainder of this Ordinance and the application thereof to other circumstances shall nevertheless be valid, and the Board of Commissioners hereby declares that this Ordinance would have been enacted without such invalid provision.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding anything herein to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Certificates consent to such amendment or (b) a Person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Certificates. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Certificates from lawfully purchasing or selling Certificates in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided pursuant to subsection (b) hereof an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

**SECTION 39: Further Procedures.** Any one or more of the Mayor, Mayor Pro Tem, City Manager, Director of Administration, and City Clerk are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and on behalf of the City all agreements, instruments, certificates or other documents, whether mentioned herein or not, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance and the issuance, sale and delivery of the Certificates. In addition, prior to the delivery of the Certificates, the Mayor, Mayor Pro Tem, City Manager, Director of Administration, City Clerk or Bond Counsel to the City are each hereby authorized and directed to approve any changes or corrections to this Ordinance or to any of the documents authorized and approved by this Ordinance: (i) in order to cure any ambiguity, formal defect, or omission in the Ordinance or such other document, or (ii) as requested by the Attorney General of the State of Texas or his representative to obtain the approval of the Certificates by the Attorney General. In the event that any officer of the City whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 40: Incorporation of Findings and Determinations. The findings and determinations of the Board of Commissioners contained in the preamble of this Ordinance are hereby incorporated by reference and made a part of this Ordinance for all purposes as if the same were related in full in this Section.

SECTION 41: Public Meeting. It is officially found, determined, and declared that the meeting at which this Ordinance is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by Texas Government Code, Chapter 551, as amended.

SECTION 42: Effective Date. In accordance with the provisions of Texas Government Code, Section 1201.028, as amended, this Ordinance shall be in force and effect from and after its passage on the date shown below and it is so ordained.

All payments of principal and/or interest on the Securities to the registered owners shall be accomplished (1) by the issuance of checks, payable to the registered owners, drawn on the paying agent account provided in Section 5.05 hereof, sent by United States mail, first class postage prepaid, to the address appearing on the Security Register or (2) by such other method, acceptable to the Bank, requested in writing by the Holder at the Holder's risk and expense.

**Section 3.02 Payment Dates.** The Issuer hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Authorizing Document.

### ARTICLE FOUR REGISTRAR

**Section 4.01 Security Register - Transfers and Exchanges.** The Bank agrees to keep and maintain for and on behalf of the Issuer at the Bank Office books and records (herein

sometimes referred to as the "Security Register") for recording the names and addresses of the Holders of the Securities, the transfer, exchange and replacement of the Securities and the payment of the principal of and interest on the Securities to the Holders and containing such other information as may be reasonably required by the Issuer and subject to such reasonable regulations as the Issuer and the Bank may prescribe. All transfers, exchanges and replacements of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the National Association of Securities Dealers, such written instrument to be in a form satisfactory to the Bank and duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three (3) business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

**Section 4.02 Securities.** The Issuer shall provide additional Securities when needed to facilitate transfers or exchanges thereof. The Bank covenants that such additional Securities, if and when provided, will be kept in safekeeping pending their use and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other governments or corporations for which it serves as registrar, or that is maintained for its own securities.

**Section 4.03 Form of Security Register.** The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

**Section 4.04 List of Security Holders.** The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the required fee, a copy of the information contained in the Security Register. The Issuer may also inspect the information contained in the Security Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

The Bank will not release or disclose the contents of the Security Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except upon receipt of a court order or as otherwise required by law. Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the

Issuer so that the Issuer may contest the court order or such release or disclosure of the contents of the Security Register.

**Section 4.05 Return of Cancelled Securities.** The Bank will, at such reasonable intervals as it determines, surrender to the Issuer, all Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

**Section 4.06 Mutilated, Destroyed, Lost or Stolen Securities.** The Issuer hereby instructs the Bank, subject to the provisions of the Authorizing Document, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an overissuance.

In case any Security shall be mutilated, destroyed, lost or stolen, the Bank may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such mutilated, destroyed, lost or stolen Security, only upon the approval of the Issuer and after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Security shall be borne by the Holder of the Security mutilated, destroyed, lost or stolen.

**Section 4.07 Transaction Information to Issuer.** The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Securities it has paid pursuant to Section 3.01, Securities it has delivered upon the transfer or exchange of any Securities pursuant to Section 4.01, and Securities it has delivered in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities pursuant to Section 4.06.

## **ARTICLE FIVE THE BANK**

**Section 5.01 Duties of Bank.** The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof.

**Section 5.02 Reliance on Documents, Etc.**

(a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document supplied by the Issuer.

(e) The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

(g) The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum or letter as prepared by the Issuer, the Financial Advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum or letter acknowledged by the Issuer, the Issuer's financial advisor or other agent as the final closing memorandum or letter. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

**Section 5.03 Recitals of Issuer.** The recitals contained herein with respect to the Issuer and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

**Section 5.04 May Hold Securities.** The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

**Section 5.05 Moneys Held by Bank - Paying Agent Account/Collateralization.** A paying agent account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of moneys received from the Issuer under this Agreement for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities shall be continuously collateralized by securities or obligations which qualify and are eligible under both the laws of the State of Texas and the laws of the United States of America to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such paying agent account shall be made by check drawn on such account unless the owner of the Securities shall, at its own expense and risk, request an alternative method of payment.

Subject to the applicable unclaimed property laws of the State of Texas, any money deposited with the Bank for the payment of the principal of, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become due and payable will be held by the Bank and disposed of only in accordance with Title 6 of the Texas Property Code, as amended. The Bank shall have no liability by virtue of actions taken in compliance with this provision.

The Bank is not obligated to pay interest on any money received by it under this Agreement.

This Agreement relates solely to money deposited for the purposes described herein, and the parties agree that the Bank may serve as depository for other funds of the Issuer, act as trustee under indentures authorizing other bond transactions of the Issuer, or act in any other capacity not in conflict with its duties hereunder.

**Section 5.06 Indemnification.** To the extent permitted by law, the Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part, arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

**Section 5.07 Interpleader.** The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the state and county where the administrative office of the Issuer is located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming any interest herein.

In the event the Bank becomes involved in litigation in connection with this Section, the Issuer, to the extent permitted by law, agrees to indemnify and save the Bank harmless from all loss, cost, damages, expenses, and attorney fees suffered or incurred by the Bank as a result. The obligations of the Bank under this Agreement shall be performable at the principal corporate office of the Bank in the City of Dallas, Texas.

**Section 5.08 DTC Services.** It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements", which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.

## **ARTICLE SIX MISCELLANEOUS PROVISIONS**

**Section 6.01 Amendment.** This Agreement may be amended only by an agreement in writing signed by both of the parties hereto.

**Section 6.02 Assignment.** This Agreement may not be assigned by either party without the prior written consent of the other.

**Section 6.03 Notices.** Any request, demand, authorization, direction, notice, consent, waiver, or other document provided or permitted hereby to be given or furnished to the Issuer or the Bank shall be mailed or delivered to the Issuer or the Bank, respectively, at the addresses shown on the signature page(s) hereof.

**Section 6.04 Effect of Headings.** The Article and Section headings herein are for convenience of reference only and shall not affect the construction hereof.

**Section 6.05 Successors and Assigns.** All covenants and agreements herein by the Issuer shall bind its successors and assigns, whether so expressed or not.

**Section 6.06 Severability.** In case any provision herein shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

**Section 6.07 Merger, Conversion, Consolidation, or Succession.** Any corporation or association into which the Bank may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion, or consolidation to which the Bank shall be a party, or any corporation or association succeeding to all or substantially all of the corporate trust business of the Bank shall be the successor of the Bank as Paying Agent under this Agreement without the execution or filing of any paper or any further act on the part of either parties hereto.

**Section 6.08 Benefits of Agreement.** Nothing herein, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder, any benefit or any legal or equitable right, remedy, or claim hereunder.

**Section 6.09 Entire Agreement.** This Agreement and the Authorizing Document constitute the entire agreement between the parties hereto relative to the Bank acting as Paying Agent/Registrar and if any conflict exists between this Agreement and the Authorizing Document, the Authorizing Document shall govern.

**Section 6.10 Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which shall constitute one and the same Agreement.

**Section 6.11 Termination.** This Agreement will terminate (i) on the date of final payment of the principal of and interest on the Securities to the Holders thereof or (ii) may be earlier terminated by either party upon sixty (60) days written notice; provided, however, an early termination of this Agreement by either party shall not be effective until (a) a successor Paying Agent/Registrar has been appointed by the Issuer and such appointment accepted and (b) notice has been given to the Holders of the Securities of the appointment of a successor Paying Agent/Registrar. However, if the Issuer fails to appoint a successor Paying Agent/Registrar within a reasonable time, the Bank may petition a court of competent jurisdiction within the State of Texas to appoint a successor. Furthermore, the Bank and the Issuer mutually agree that the effective date of an early termination of this Agreement shall not occur at any time which would disrupt, delay or otherwise adversely affect the payment of the Securities.

Upon an early termination of this Agreement, the Bank agrees to promptly transfer and deliver the Security Register (or a copy thereof), together with the other pertinent books and records relating to the Securities, to the successor Paying Agent/Registrar designated and appointed by the Issuer.

The provisions of Section 1.02 and of Article Five shall survive and remain in full force and effect following the termination of this Agreement.

Recommendation / McLain Construction

Dear Mike;

McLain Construction is a qualified local contractor who we have worked with for 20+ years. They produce a quality project and are on our preferred contractors list. In addition, McLain has provided the lowest proposed cost with the shortest time for completion. We recommend that the City of Burkburnett award the project for the New Gateway Monument Signage to McLain Construction.

## **Model Staff Report to Support Resolution Directing Oncor Concerning Just and Reasonable Rates**

Recent Public Utility Commission of Texas (“Commission”) proceedings related to approval of conversion of Oncor into a Real Estate Investment Trust (“REIT”) resulted in the Commissioners’ desire to share \$200 million to \$250 million in annual federal income tax (“FIT”) savings with Oncor ratepayers. Since the proceeding involving a change of ownership and control of Oncor was not a rate case, the Commission had no jurisdiction to order a reduction in rates. The new owners of Oncor indicated an intent to file a rate case in mid-2017 to become effective in 2018. Believing that a two year wait to factor FIT savings into rates was too long to wait, the Steering Committee of Cities Served by Oncor decided to initiate a rate case against Oncor.

### **Whereas Clauses Explained**

Cities have original rate making jurisdiction over Oncor’s rates and services within their municipal limits. The Commission has original jurisdiction over the environs outside municipal limits and appellate jurisdiction over city rate mailing orders.

As a regulatory authority, Cities that retain original jurisdiction may initiate rate making proceedings by filing a resolution requiring a public utility to show cause why rates should not be reduced.

The City works with other similar Oncor Cities on regulatory issues through the Steering Committee of Cities Served by Oncor which has functioned continuously since 1988.

The Executive Committee of the Steering Committee recommends that member Cities pass show cause resolutions to initiate a rate case so that Oncor rates may be reduced.

### **Resolved Sections Explained**

Section 1, provides notice to Oncor that it is compelled to file information that would otherwise be required if the Company filed a request to increase rates at the Commission by September 1, 2016. This Section requires that historic data from calendar year 2015 be filed to demonstrate that its rates should not be reduced.

Section 2 authorizes Cities’ representatives to file requests for information which shall be answered by Oncor within 15 days of receipt.

Sections 3 and 4 set other dates critical to the procedural process for rate setting. Cities’ report will be due on October 13, 2016 and the Oncor rebuttal will be due November 10, 2016.

Section 5 establishes that a hearing will occur and final order will be issued between November 15, 2016 and December 15, 2016.

Section 6 provides that the procedural schedule may be amended by the City and that other orders may be extended. For example, once the REIT conversion is finalized, Cities may enter interim orders requiring a sharing of tax savings that benefit ratepayers.

Section 7 authorizes the hiring of legal counsel and authorizes the Executive Committee to hire consultants.

Section 8 confirms that Cities will seek reimbursement of their rate making expenses from Oncor.

Section 9 confirms that the resolution was passed in compliance with Open Meeting laws.

**RESOLUTION NUMBER 605**

WHEREAS, the City of Burkburnett is a regulatory authority under the Public Utility Regulatory Act ("PURA") and has original jurisdiction over the rates of Oncor Electric Delivery Company, LLC ("Oncor") to determine if such rates are just and reasonable; and

WHEREAS, Sections 33.021, 36.003 and 36.151 of PURA empower a regulatory authority, on its own motion or on a complaint by any affected person, to determine whether the existing rates of any public utility for any service are unreasonable or in any way in violation of any provision of law, and upon such determination, to determine the just and reasonable rates; and

WHEREAS, the City of Burkburnett has reason to believe that Oncor is over-earning and its rates are excessive; and

WHEREAS, the City of Burkburnett is a member of the Steering Committee of Cities served by Oncor; and

WHEREAS, the Executive Committee of the Steering Committee of Cities served by Oncor has recommended that cities pass a resolution that requires Oncor to show cause why its transmission and distribution rates should not be reduced; and

WHEREAS, the City of Burkburnett, and the Board of Commissioners of the City of Burkburnett desires, on its own motion, to exercise its authority under Sections 33.021, 36.003 and 36.151 of PURA; and

WHEREAS, a procedural schedule should be established for the filing of certain information by Oncor, procedures to be followed to obtain and review information from Oncor, the filing of an analysis of such information by the City, the filing of rebuttal information from Oncor, and a public hearing at which time the City shall make a determination whether the existing rates of Oncor are unreasonable or are in any way in violation of any provision of law, and if such rates should be revised, and just and reasonable rates determined for Oncor.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE CITY OF BURKBURNETT, TEXAS:

SECTION 1. This resolution constitutes notice of the City's intent to proceed with an inquiry into the transmission and distribution rates charged by Oncor. On or before September 1, 2016, Oncor shall file with the City of Burkburnett information that demonstrates good cause for showing that Oncor's transmission and distribution rates should not be reduced. Specifically, Oncor shall file with the City of Burkburnett information for the test year beginning January 1, 2015 and ending December 31, 2015, regarding Oncor's cost of service elements, including, but not limited to, the elements detailed by the Public Utility Commission as necessary for the filing of a Statement of Intent to Change Rates. The test year may be updated for more current data and shall be adjusted for known and measureable changes.

SECTION 2. City's designated representatives shall have the right to obtain additional information from Oncor through the filing of requests for information, which shall be responded to within fifteen (15) days from the receipt of such request for information.

SECTION 3. City's designated representatives shall file their analysis of Oncor's filing and information on or before October 13, 2016.

SECTION 4. Oncor shall file any rebuttal to the analysis of City's representatives on or before November 10, 2016. With its rebuttal, Oncor may present whatever additional information it desires to defend its current rates.

SECTION 5. A public hearing shall be conducted by the Board of Commissioners for the City of Burkburnett during a regular council meeting scheduled between November 15 and December 15. At such hearing a representative of Oncor and a representative of the City of Burkburnett's consultants will each be allowed to address the Board of Commissioners and summarize previously filed reports for no more than 15 minutes. Based upon such hearing, a determination of the reasonableness of the existing rates of Oncor shall be made by the City Council and, if necessary, just and reasonable rates shall be determined to be thereafter observed and enforced for all services of Oncor within the City of Burkburnett, Texas.

SECTION 6. The Board of Commissioners may, from time to time, amend this procedural schedule and enter additional orders as may be necessary in the public interest and to enforce the provisions hereof.

SECTION 7. Subject to the right to terminate employment at any time, the City of Burkburnett hereby ratifies the Steering Committee's selection of Geoffrey Gay with the law

firm of Lloyd, Gosselink, Rochelle & Townsend as legal counsel to assist the City of Burkburnett in its ratemaking and to prosecute any appeals to the Texas Public Utility Commission or court. The Executive Committee of the Steering Committee of Cities Served by Oncor shall retain appropriate consultants to prepare a report and make rate recommendations.

SECTION 8. Fees and expenses of attorneys and consultants assisting the City in the Steering Committee's review of the reasonableness of Oncor's rates will be processed through the Steering Committee but the City reserves the right to seek reimbursement from Oncor pursuant to the PURA Section 33.023.

City Manager

**Date:** April 18, 2016

**Item:** Review of bids on delinquent properties 133 N. Ave F, 122 W. 1<sup>st</sup> St, & 109 S Ave B

### Background

Perdue, Brandon, Fielder, Collins, & Mott, LLP received bids from Dennis Wicks of Benbrook, TX for 3 delinquent properties currently stricken off to the City of Burkburnett:
