## Message from the Chief

On behalf of the dedicated men and women of the Burkburnett Police Department, I am proud to present our 2025 Community Report. This year reflected our continued commitment to service, integrity, and community partnership as we worked to enhance public safety and strengthen the trust placed in us by our residents.

Throughout 2025, the department implemented significant organizational improvements, including updates to our command structure that created a more efficient and responsive leadership model. We also secured important

funding through grants, donations, and seized assets, nearly \$200,000, which allowed us to modernize equipment, expand officer protection, and reduce financial impact on taxpayers. These investments directly support our mission and ensure our officers are equipped to meet the demands of modern policing.

Our engagement with the community remained a central focus. Whether through Coffee with a Cop, National Night Out, school events, or the 9/11 Memorial Stair Climb, our officers worked to build relationships, increase transparency, and reinforce a shared commitment to safety. Training and professional development also remained priorities, ensuring our personnel stay prepared, capable, and aligned with best practices.

As we reflect on the progress made this year, we remain deeply grateful for the unwavering support of our citizens, community partners, and local businesses. Your continued trust fuels our dedication to serving with professionalism, compassion, and honor. Together, we will continue building a stronger, safer Burkburnett in 2026 and beyond.

Sincerely,

A handwritten signature in blue ink that reads "Donald Miller".

Chief Donald Miller  
Burkburnett Police Department

The anchor symbolizes hope, steadfastness, calm and composure. It also can symbolize security in one or more uncertain experiences of life. An anchor is something that helps keep us grounded, connected to what matters most, and able to cope with challenges that life brings.

The oil derrick symbolizes the City of Burkburnett from the oil boom in the early 1900's. Burkburnett is also known as "Boomtown" from the drilling boom that brought prosperity to North Texas.

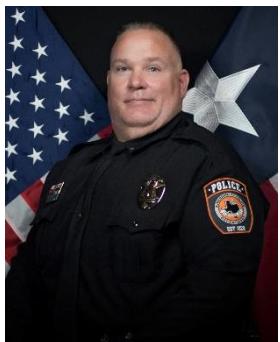

The combination of symbols will be represented with the Burkburnett Police Department's Core Values: H.O.P.E.

## Patrol Division

The face of the Burkburnett Police Department exists in the patrol division. These are the men and women out in uniform and marked patrol units that you see responding to calls, making traffic stops, and out checking on businesses and the community.

The patrol division is separated into four shifts: two day shifts and two night shifts. One sergeant operates each shift, with officers assigned to them. Officers work 12-hour shifts on a rotating 2-2-3 schedule (Panama Schedule). This allows all patrol officers to have every other Friday, Saturday, and Sunday off.

Our officers are encouraged to interact with the community as often as possible between calls or other pertinent incidents. With that, we encourage you to get to know our officers.

## Criminal Investigations Division

Our Criminal Investigations Division (CID) is a hardworking team of well-qualified detectives. The detectives spend their shifts working on ongoing investigations and investigating crimes that have yet to be reported. Their end goal is gathering facts and building cases in an efficient manner to keep criminals off the streets. They work tirelessly, handling day-to-day operations while also being available 24/7 should their assistance be required.

CID works with a handful of resources from the surrounding areas to complete their mission. This includes, but is not limited to, the Texas Department of Family Services, Texas Rangers and CID, the District Attorney's Office, Patsy's House, and surrounding municipal and county sheriff's offices.

## Crime Prevention Unit

### Purpose:

The Crime Prevention Unit is a specialized group of experienced officers that focuses their enforcement and prevention efforts on drugs, vice, and other special crimes. Unit members gather intelligence, make arrests, and saturate specifically targeted areas to combat crime. The Crime Prevention Unit aims to reduce crime and improve the quality of life for the citizens of Burkburnett. The unit also executes high-risk search warrants and arrest warrants for the department and outside agencies. The Crime Prevention Unit is made up of officers from different departments with various primary duties.

## Organizational Chart

### Support Staff

## Support Services

**Dispatch** – Our dispatchers work around the clock answering phone calls for emergencies and non-emergencies, dispatching necessary resources and units, and accessing a state and national database to disseminate information.

**Records** – Our records and evidence clerk maintains the ongoing reports that are developed by officers and CID. The clerks are also responsible for archiving evidence. This is a non-stop job, as crime and evidence never stop.

**Animal Services** – Our Animal Services Officer (ASO) is on duty five days a week, but available anytime for emergencies. The ASO is responsible for handling calls for vicious, mistreated, or missing animals.

Needless to say, behind the badge is a team of unseen employees that the Burkburnett Police Department could not function without. We are grateful for their work and dedication.
