Voter Information for \$10,660,000 General Obligation Bond Election

Saturday, May 7<sup>th</sup>, 2022

City of Burkburnett

501 Sheppard Rd

Burkburnett, TX 76354

940-569-2263

## **TO THE CITIZENS OF BURKBURNETT**

The City of Burkburnett has maintained a street improvement program over the years which includes a combination of asphalt overlay, chip seal, and crack seal programs. Due to base failure for some of these streets, these options are no longer feasible and, therefore, the City intends to reconstruct these streets to include the sub-base. Also, a few of the proposed streets were not “City” streets when annexed into the City and were not built with proper base and or drainage facilities. The proposed street projects will not only include the sub-base improvements but drainage as well.

Propositions C and D address primarily high traffic “arterial” streets. Propositions A, B, and E address streets that were not constructed to the City’s subdivision standards due to the fact they were outside the City limits at the time of construction or have some issues with drainage. The proposed improvements include a combination of sub-base construction, curbing, guttering, asphalt surfacing, asphalt overlay, street expansion, and various other improvements.

The Board of Commissioners has called an election for May 7<sup>th</sup>, 2022, for the issuance of General Obligation Bonds with five separate propositions:

Proposition A totals 2.68 million,

Proposition B totals 730 thousand,

Proposition C totals 1.735 million,

Proposition D totals 1.12 million,

Proposition E totals 4.395 million.

The following information concerning the election and more detailed information of the proposed improvements are designed to acquaint the voters with basic facts and answer questions about this election.

### **How many propositions will be on the ballot?**

There will be five propositions presented. The ballot language for each proposition will appear as follows:

### **Proposition A:**
